The wisest one in the room is the individual who has identified his circle of competence. Whenever he 's faced with problems that fall within his domain, he rises up to the challenge and solves them. And when the problem is outside his reach, he is not afraid to defer them to others better suited to solve them.

The Wisest One in the Room

5.0 out of 5 stars The Wisest One in the Room. Reviewed in the United Kingdom on 7 July 2018. Anyone expecting an easy read, or the facile answers often found in the average self-help guru's manual is in for a surprise, and I mean that in a good way. This book is densely written and based on solid research with all the source papers referenced.
