Theory-Based Treatment Planning for Marriage and Family ...

Treatment planning based on specific, measurable, attainable, relevant and time-bound (SMART) goals has become convention in the era and climate of managed care. While this approach has merits and is appropriate in certain contexts, it also has notable limitations for both clients and therapists. I begin this article by addressing these limitations.

A humanistic approach to treatment planning

This text is a treatment planner and theory guide for therapists working from systemic and postmodern approaches. Unlike existing resources, this treatment planner provides a means to directly integrate family therapy theory and practice. By providing treatment planning strategies along with complete overviews of specific theories, the book provides a remedy for the common "missing link ...

Theory-based Treatment Planning for Marriage and Family ...

In traditional approaches to treatment planning, therapists often recommended a treatment approach based on their adherence to a particular theoretical orientation. A biopsychosocial approach, on the other hand, requires an individualized evaluation of patients' needs and circumstances across the full range of biopsychosocial areas.

Treatment Planning - an overview | ScienceDirect Topics

By providing treatment planning strategies along with complete overviews of specific theories, the book provides a remedy for the common "missing link" between theory and practice. The purpose of this book is to fill the ever-widening gap between formal training in theory and actual practice in managed-care dominated workplaces.
