Tony 10 is a mesmerising story of the secret life of a pathological gambler - as well as the most compelling account yet of the damage wrought by the online gambling industry. "As hair-raising as the downfall reads, O'Reilly's story grips to the end as a context of humanity replaces the sweat-browed hijinks." Hilary A White, The Sunday Independent "This is a spine-tingling tale, beautifully told, and at the end of the rollercoaster ride there's even a happy ending." Damian Corless, The Irish Independent "A brilliant, nerve-shredding account

I am a maximalist ... I want more of everything.' Tony O'Reilly

strode into the twenty-first century an Irishman apart.

Strikingly good-looking,

# Online Library Tony 10 The Astonishing Story Of The

athletically gifted, irresistibly  
charismatic and phenomenally  
wealthy, he had everything any  
man could want. For many, he

was a hero, the living  
embodiment of Irish potential; for  
others, he was an arrogant and  
overbearing presence at the heart  
of power. Without doubt, he was  
the most powerful unelected  
Irishman of the past 50 years. His  
philosophy was simple: 'I am a  
maximalist ... I want more of  
everything.' But it was never  
enough. And today, O'Reilly's  
empire and the formidable  
reputation it established lie in  
tatters. In this landmark  
biography, Matt Cooper draws on  
an abundance of new material,  
including interviews with many of  
O'Reilly's closest family, friends,

Associates and rivals, to uncover the man behind the myth. An Irish epic, it documents in unflinching detail and with great subtlety the meteoric rise and slow unravelling of an Irish icon.

From cheeky high-street bookmaker to billion-dollar business: the incredible story behind Paddy Power's unstoppable rise. Flutter Entertainment, the parent company of Paddy Power, is the largest gambling business in the world. The evidence of that success is visible everywhere, from shop fronts and bus shelters to sporting arenas and smartphone screens. The company's rise to this point has been rapid, but like any gambler

Postman their salt, Paddy Power has always succeeded in finding an edge. At the outset those

innovations were modest, like offering odds on television shows and giving punters money back on losing bets, but as the company's ambition grew, so too did its determination to stay one step ahead of the competition, whatever the cost... Impeccably researched and informed by dozens of insider interviews, Punters is the incredible story of how an unlikely band of misfits and visionaries bet on the future of the gambling industry and won big. But it's also the story of how that victory may have come at an extraordinary cost - to their customers and society at large.

Justyn Rees Larcombe had  
everything. Successful in the  
world of re-insurance, he was  
being fast tracked for further

promotion in a global company.  
He had amassed a large amount  
of wealth and all the trappings  
that went with it, including a big  
house and fast cars. He had a  
beautiful wife and three sons. And  
then he lost it all. Addicted to  
gambling, Justyn lost three  
quarters of a million pounds in  
three years. He spent his wife's  
money and even used his  
corporate credit card to fund his  
habit. It cost him his job, and then  
his wife, children, home and  
reputation. Having barely  
escaped criminal prosecution, he  
reached rock bottom and  
considered suicide. In one final

throw of the dice, Justyn returned to the God of his youth. It turned out to be the safest bet he had ever made - through a miraculous and dramatic healing he stopped gambling overnight. This is a highly readable and engaging story from a man who had and lost everything only to discover all he ever wanted in the embrace of a loving God. Today Justyn speaks widely about the dangers of gambling. "God has restored much of what I lost and is continuing to do so," he explains. "I am slowly dealing with the consequences of my habit."

rural hamlet where the majority

someone is killing veterans of the

Constable 'Lame' Eddie Sommers,  
a crippled rich boy and the butt of  
derision, is doing his best to fill a  
uniform he believes in, yet wears  
too large. Inexperienced and out  
of his depth, he turns to a former  
detective and veteran of the  
western front for

assistance. Involving Marshall

mistake. Marshall wears a copper

to conceal his disfigurements. He  
struggles against howling  
flashbacks and the lingering  
stench of his own concealed  
crimes. In a town meant for
