"Toward a True Kinship of Faiths" by the Dalai Lama is well worth the read regardless of your religious or non religious beliefs, and I cannot recommend it enough. In it, he lays out an argument for how we as humans can focus on our common ethic of compassion "Make the vow today that you shall never allow your faith to be used as an instrument of violence.

Toward a True Kinship of Faiths: How the World's Religions Can Come Together, by His Holiness the Fourteenth Dalai Lama. In this book the Dalai Lama champions the cause of interreligious understanding and harmony, a theme Vedantists will be familiar with.

~~REVIEW ARTICLE: Toward a True Kinship of Faiths | Vedanta ...~~

towards humans but also towards the earth and all living things. This can unite us, even as we continue to practise our own faiths. Toward a True Kinship of Faiths is an excellent account of an autobiographical journey into interfaith relationships and theology. As he moves among other faiths, Buddhism remains his grounding.

The Nobel Peace Prize-winning Tibetan spiritual leader assesses the modern world's polarization along religious lines while outlining a hopeful vision of kinship among faiths that recognizes both commonalities and differences. 125,000 first printing.

No country, no culture, no person today is untouched by what happens in the rest of the world, and globalization presents many challenges. The Dalai Lama understands that the essential task of humanity in the twenty-first century must be to cultivate peaceful coexistence. In this book the Dalai Lama shows how in our globalized world, nations, cultures and individuals can find opportunities to connect through their shared human nature. All faiths turn to compassion as a guiding principle for living a good life. It is the responsibility of all people with an aspiration to spiritual perfection to help develop a deep recognition of the value of other faiths, and it is on that basis alone that we can cultivate genuine respect and cooperation. Towards the True Kinship of Faiths is a hopeful yet realistic look at how humanity can embrace a harmonious future.

The Tibetan spiritual leader assesses the modern world's polarization along religious lines while outlining a hopeful vision of kinship among faiths that recognizes both commonalities and differences.

Imbued with a friendly tone and pithy wisdom, this handsome handbook to approaching life "in a better way" includes six of His Holiness The Dalai Lama's most accessible and inspirational public lectures. Following each talk are the original question-and-answer sessions in which His Holiness opens himself up to his listeners and now-to readers everywhere. His characteristically candid guidance on living fully and responsibly, especially at the start of a new millennium, focuses on specific themes that range from religious tolerance to compassion and nonviolence. The book also includes a practical and highly readable introduction to Buddhism and The Dalai Lama's own spiritual heritage, written by the renowned Lama Thubten Zopa Rinpoche.

The Nobel Peace Prize and Albert Schweitzer Humanitarian Award-winning Buddhist leader provides a succinct overview of the basic techniques of spiritual development in Tibetan Buddhism, explaining how to transform difficult situations into opportunities for growth through various practices in mind training.

Through close readings of Jewish, Christian, Islamic, and Buddhist texts, Katherine Wills Perlo proves that our relationship with animals shapes religious doctrine, particularly through the tension between animal exploitation and the bonds of kinship. She pinpoints four different strategies for coping with this conflict. The first is aggression, in which a divinely conferred superiority or karma justifies animal usage. The second is evasion, which emphasizes benevolent aspects of the human-animal relationship within the exploitative structure, such as the image of Jesus as a "good shepherd." The third is defense, which acknowledges the problematic nature of killing, leading many religions to adopt a propitiation mechanism, such as apologizing for sacrifice. And the fourth is effective-defensive, which recognizes animal

abuse as inherently unethical. As humans feel more empathy toward animals, Perlo finds that adherents revise their interpretations of religious texts. Preexisting ontologies, such as Christianity's changing God or Buddhism's principle of impermanence, along with advances in farming practices and technology, also encourage changes in treatment. As cultures begin to appreciate the different types of perception and consciousness experienced by nonhumans, definitions of reality become complicated and humans lean more toward unitary accounts of shared existence. These evolving attitudes exert a crucial influence on religious thought, Perlo argues, moving humans ever closer to a nonspeciesist world.

Their lives would be tempered by adversity, expanded by faith, polished by perseverance. Based on an actual 1852 Oregon Trail incident, *All Together in One Place*, Book One in the Kinship and Courage series, speaks to the strength in every woman and celebrates the promise of hope that unfailingly blooms amidst tragedy and challenge. For Madison "Mazy" Bacon, a young wife living in southern Wisconsin, the future appears every bit as promising as it is reassuringly predictable. A loving marriage, a well-organized home, the pleasure of planting an early spring garden--these are the carefully-tended dreams that sustain her heart and nourish her soul. But when her husband of two years sells the homestead and informs her that they are heading west, Mazy's life is ripped down the middle like a poorly mended sheet forgotten in a midwestern storm. Her love is tried, her boundaries stretched, and the fabric of her faith tested. At the same time, she and eleven extraordinary women are pulled toward an uncertain destiny--one that binds them together through reluctance and longing and into acceptance and renewal.

A CIRCLE OF COURAGEOUS WOMEN DISCOVERS THE MEANING OF INDEPENDENCE, FORGIVENESS, AND LOVE Ruth Martin had a dream: to become an independent woman and build a life in southern Oregon for herself and her children. But when her friend Mazy's inaction results in a tragedy that shatters Ruth's dream, Ruth must start anew and try to heal her tender wounds. Her friends are also moving on. Mazy wrestles with her understanding of what faith and family really mean; Tipton discovers that marriage requires more than she's ready to give; and Suzanne's challenge is to keep seeing with new eyes. Together, the turn around women travel to arenas of untested promise where they'll find a hope that sustains them and relationships they'll cherish all their days. **THE FINAL BOOK IN THE KINSHIP AND COURAGE SERIES**

"Positive Spirituality in Health Care" offers a fresh, holistic, and practical framework for the integration of spirituality in health care. Dr. Craigie proposes that excellent spiritual care arises from three arenas: the personal groundedness and spiritual well-being of clinicians, the clinical encouragement of patients' spiritual resources, and the organizational cultivation of spirited leadership and "soul." In an approachable and conversational tone, he presents case examples, interview transcripts, research perspectives, and pragmatic strategies that will enable readers to refine their skills in each of these three arenas. "Positive Spirituality in Health Care" will be a source of affirmation, refreshment, inspiration, and practical tools for all clinicians and health care leaders who are passionate about supporting patients' journeys toward healing and wholeness.

The Dalai Lama serves as a living symbol of holiness and selfless triumph over tribulation for people of all religious traditions--as well as those with no religious affiliation at all. This collection of daily quotations drawn from His Holiness's own writings, teachings, and interviews offers words of guidance, compassion, and peace that are as down to earth as they are rich in spirit. Suffused with endearing informality, warmth, and practicality, they cover almost every aspect of human life, secular and religious--from loneliness, suffering, anger, and everyday insecurities to happiness, intimacy, and responsibility to others. With a special foreword by His Holiness on the power of meditation and personal responsibility, *The Path to Tranquility* is a fresh and accessible spiritual treasure to return to day after day, year after year.
