Nations created the nation of Israel by partitioning Palestine into two states, one Jewish and one Arab. Thousands of Jews had im-migrated to Palestine from Europe before and during World War II, and Israel became the "promised land" they had been seeking since biblical times. The creation of Israel was one of the few issues

Two Nations Live on the Edge. 1. Two Nations Live on the Edge: 2. Brinkmanship Rules U.S. Policy: • The fear of nuclear attack was a direct result of the Cold War • After the Soviet Union developed its atomic bomb (1949) the two superpowers embarked on an arms race • Race for the H-Bomb pitted U.S. scientists against Soviet scientists (H-Bombs were 67 times more powerful than atomic) Mushroom cloud from the Soviet 50- megaton Tsar Bomba, the largest weapon ever detonated (1961 ...

**Two Nations Live on the Edge - SlideShare**

Both agree, not only agree but insist, that there are two nations in India—one the Muslim nation and the other the Hindu nation. They differ only as regards the terms and conditions on which the two nations should live. Mr. Jinnah says India should be cut up into two, Pakistan and Hindustan, the Muslim nation to occupy Pakistan and the Hindu nation to occupy Hindustan.

**Two-nation theory - Wikipedia**

Two Nations Live on the Edge Key Terms and People H-bomb Hydrogen bomb arms race An international contest between countries seeking a military advantage over each other Dwight D. Eisenhower 34th president of the United States massive retaliation Strategy that deterred the United States and Soviet Union from launching a nuclear attack

Examines the political, economic, and social transformation Mexico has undergone in recent decades, and argues that the United States' antagonistic policy toward the nation is doing more harm than good.

Depicts the United States as both a racist and classist society in which blacks have been unable to find acceptance and discusses the social unrest that marks social inequality and the implications of the O.J. Simpson case.

Offers a provocative look at the relationship between Judaism and Christianity, arguing that the inter-religious polemic between the two religions served as a substantial component in the formation of each and that the impact of Christianity on Talmudic and medieval Judaism was much stronger than previously assumed.

Why should you care about Israel? With the war in Iraq, possible engagement in Iran, and an imminent presidential election, U.S. foreign policy in the Middle East and the issue of solidarity with Israel remain important. In *Two Nations Under God*, American missionary Tom Doyle presents even greater reasons why the U.S. should show concern for Israel. Part one, "Why Should America Care?" is a biblical and historical primer on Israel with fascinating insights into connections between American and Middle East culture. Part two, "Sorting Out the Middle East Maze," presents more facts about Islam and the spiritual roots behind the Middle East conflicts. Part three, "Maximizing the Moment," is a call to action and prayer for the American church regarding the future of Israel. Best of all, readers will learn throughout that, despite the headlines, there is plenty of good news coming from the Middle East. Doyle reports on the increasing number of Muslims converting to Christianity, profiles local disciples and church planters, and provides helpful timelines, comparison charts, photographs, and more to keep every detail concerning Israel in perspective. Endorsements: "Chaos. Carnage. Confusion. For many, that's the modern Middle East. But Tom Doyle gets it. Better yet, he can really explain it. With a pastor's heart, he clearly and concisely describes why God loves the Jews of Israel and her Muslim neighbors, and why we should, too. What's more, Tom reveals how powerfully God is moving in the modern Middle East, and how we can join Him. *Two Nations under God* is a must read—fascinating, insightful, and deeply thought-provoking. Get one for yourself, and another for your pastor." Joel C. Rosenberg, New York Times best-selling author of *Epicenter: Why the Current Rumbblings in the Middle East Will Change Your Future*

What history, pop culture, and diaspora can teach us about North and South Korea today. Korea is one of the last divided countries in the world. Twins born of the Cold War, one is vilified as an isolated, impoverished, time-warped state with an abysmal human rights record and a reclusive leader who perennially threatens global security with his clandestine nuclear weapons program. The other is lauded as a thriving democratic and capitalist state with the thirteenth largest economy in the world and a model for developing countries to emulate. In *The Koreas*, Theodore Jun Yoo provides a compelling gateway to understanding the divergent developments of contemporary North and South Korea. In contrast to standard histories, Yoo examines the unique qualities of the Korean diaspora experience, challenging the master narratives of national culture, homogeneity, belongingness, and identity. This book draws from the latest research to present a decidedly demythologized history, with chapters focusing on feature stories that capture the key issues of the day as they affect popular culture and everyday life. The Koreas will be indispensable to any historian, armchair or otherwise, in need of a discerning and reliable guide to the region.

This essay is the lecture delivered by James Q. Wilson at the annual dinner of the American Enterprise Institute for Public Policy Research in Washington, DC, on 4th December 1997.
