5.0 out of 5 stars Thumbs up for The Ultimate Basic Training Guide Book. Reviewed in the United States on April 6, 2006. I found this book to be helpful in a number of ways. Initially I purchased it because I had never really known what basic training was going to be like and I wanted an "inside look," which Mr. Volkin's book offered. However, after I had read the book the first time I was glad to have it for other reasons- it gave me truly useful tips, helped me figure out the type of work ...
