The aftermath of Hurricane Katrina laid bare the tragedy of American cities. What the storm revealed about the

File Type PDF Urban America Reconsidered

social conditions in New Orleans shocked many Americans. Even more shocking is how widespread these conditions are throughout much of urban America. Plagued by ineffectual and inegalitarian governance, acute social problems such as extreme poverty, and social and economic

File Type PDF Urban America Reconsidered

injustice, many American cities suffer a fate similar to that of New Orleans before and after the hurricane.

Gentrification and corporate redevelopment schemes merely distract from this disturbing reality. Compounding this tragedy is a failure in urban analysis and scholarship.

File Type PDF Urban America Reconsidered

Little has been offered in the way of solving urban America's problems, and much of what has been proposed or practiced remains profoundly misguided, in David Imbroscio's view. In *Urban America Reconsidered*, he offers a timely response. He urges a reconsideration of the two reigning

File Type PDF Urban America Reconsidered

orthodoxies in urban studies: regime theory, which provides an understanding of governance in cities, and liberal expansionism, which advocates regional policies linking cities to surrounding suburbs. Declaring both approaches to be insufficient—and sometimes

File Type PDF Urban America Reconsidered

harmful—Imbroscio illuminates another path for urban America: remaking city economies via an array of local economic alternative development strategies (or LEADS). Notable LEADS include efforts to build community-based development institutions, worker-owned firms,

File Type PDF Urban America Reconsidered

publicly controlled businesses, and webs of interdependent entrepreneurial enterprises. Equally notable is the innovative use of urban development tools to generate indigenous, stable, and balanced growth in local economies. Urban America Reconsidered makes a strong

File Type PDF Urban America Reconsidered

Alternative Top
Governance And Policy

case for the LEADS approach for constructing progressive urban regimes and addressing America's deepest urban problems.

Essays reevaluating and challenging the critiques of the urban studies field

File Type PDF Urban America Reconsidered

In 2013, Detroit filed the largest municipal bankruptcy in US history. That dubious honor marked the end of a long decline, during which city leaders slashed municipal costs and desperately sought to attract private investment. That same year, an economically resurgent New York City

File Type PDF Urban America Reconsidered

Alternatives For
Governance And Policy

elected a progressive mayor intent on reducing income inequality and spurring more equitable economic development. Whether or not Mayor Bill de Blasio realizes his legislative vision, his agenda raises a fundamental question: can American cities govern, or are they powerless in

File Type PDF Urban America Reconsidered

the face of global capital?

Conventional economic wisdom asserts that cities cannot do very much. Conventional political wisdom asserts that cities should not do very much. In *City Power*, Richard Schragger challenges both these claims, arguing that cities can govern,

File Type PDF Urban America Reconsidered

but only if we let them. In the past decade, city leaders across America have raised the minimum wage, expanded social services, put conditions on incoming development, and otherwise engaged in social welfare redistribution. These cities have not suffered from capital flight - in

File Type PDF Urban America Reconsidered

fact, many are experiencing an economic renaissance. Schragger argues that the range of city policies is not limited by the requirements of capital, but instead by a constitutional structure that serves the interests of state and federal officials. Maintaining weak cities is a political choice. City

File Type PDF Urban America Reconsidered

Power shows how cities can govern despite constitutional limitations - and why we should want them to. In an era of global capital, municipal power is more relevant than ever to citizen well-being. A dynamic vision of city politics for the new urban age, City Power demonstrates that the city should be at

File Type PDF Urban America Reconsidered

the very center of our economic, legal,
and political thinking.

Some of the most populated and storied American cities had mayoral elections in 2013. Open contests in New York City, Los Angeles and Boston, for example, offer laboratories

File Type PDF Urban America Reconsidered

to examine electoral trends in urban politics. Cities are facing varied predicaments. Boston was rocked by the bombing of the marathon on April 15. Detroit is roiled by being the largest U.S. city to declare bankruptcy, and Chicago, which had an open, competitive election in 2011, is dealing

File Type PDF Urban America Reconsidered

with significant gun violence. San Diego's mayor resigned in August 2013 due to sexual harassment charges and other mayors are surrounded by corruption scandals. Houston and St. Louis had non-competitive elections recently but their mayors are notable for their tenure in

File Type PDF Urban America Reconsidered

office and emphasis will be on public policy outcomes in those cases. Leaders in most cities face dramatic changes and challenges due to economic and social realities. The Keys to City Hall offers a complete and succinct review and analysis of the top mayoral campaigns in major American

File Type PDF Urban America Reconsidered

cities in recent years as well as the politics and public policy management of those urban areas. Emerging theories of urban governance, demographic changes, and economic conditions are examined in introductory chapters; the introduction will provide a unique and

File Type PDF Urban America Reconsidered

Comprehensive focus on major trends in advertisement, changes in campaign strategies, fundraising, and the use of social media at the local level. In Part Two, scholars with expertise in local politics, urban public policy, and the governance explore some of the largest and most

File Type PDF Urban America Reconsidered

noteworthy U.S. cities, each of which has a recent, competitive mayoral election. They will also provide updated data on mayoral powers and problems faced by local executives. Written as lively narratives in a highly readable style, this book advances theory on urban politics by reviewing

File Type PDF Urban America Reconsidered

developments in the field and aligning theoretical approaches with realities on the ground based on the most recent elections and governance structures. As such, it will be a much needed resource to scholars interested in local politics, and the public policy debates of specific major

File Type PDF Urban America Reconsidered

urban and metropolitan areas.

Governance And Policy

The global financial and economic crisis that hit the world since 2008 has affected the lives of many people all over the world and resulted in declining incomes, rising unemployment, foreclosures, forced

File Type PDF Urban America Reconsidered

Residential moves, and cut-backs in government expenditure. The extent to which the crisis has affected urban neighborhoods and has led to rising intra-urban inequalities, has not yet received much attention. The implemented budget cuts and austerity programs of national and local

File Type PDF Urban America Reconsidered

governments are likely to have hit some neighborhoods more than others. The authors of this this book, which come from a variety of countries and disciplines, show that the economic crisis has affected poor neighborhoods more severely than more affluent ones. The tendency of

File Type PDF Urban America Reconsidered

the state to retreat from these neighborhoods has negative consequences for their residents and may even nullify the investments that have been made in many poor neighborhoods in the recent past. This book was originally published as a special issue of Urban Geography.

File Type PDF Urban America Reconsidered Alternatives For

This popular text mixes the best classic theory and research on urban politics with the most recent developments in urban and metropolitan affairs. Its very balanced and realistic approach helps students to understand the nature of urban

File Type PDF Urban America Reconsidered

politics and the difficulty of finding effective solutions in a suburban and global age. The eighth edition provides a comprehensive review and analysis of urban policy under the Obama administration and brand new coverage of sustainable urban development. A new chapter on

File Type PDF Urban America Reconsidered

globalization and its impact on cities brings the history of urban development up to date, and a focus on the politics of local economic development underscores how questions of economic development have come to dominate the local arena. The eighth edition is

File Type PDF Urban America Reconsidered

significantly shorter than previous editions, and the entire text has been thoroughly rewritten to engage students. Boxed case studies of prominent recent and current urban development efforts provide material for class discussion, and concluding material demonstrates the tradeoff

File Type PDF Urban America Reconsidered

Alternative For and more
pragmatic urban politics.

The city is a paradoxical space, in theory belonging to everyone, in practice inaccessible to people who cannot afford the high price of urban real estate. Within these urban spaces

File Type PDF Urban America Reconsidered

are public and social goods including roads, policing, transit, public education, and culture, all of which have been created through multiple hands and generations, but that are effectively only for the use of those able to acquire private property. Why should this be the case? As Margaret

File Type PDF Urban America Reconsidered

Kohn argues, when people lose access to the urban commons, they are dispossessed of something to which they have a rightful claim - the right to the city. Political theory has much to say about individual rights, equality, and redistribution, but it has largely ignored the city. In response,

File Type PDF Urban America Reconsidered

Kohn turns a mostly forgotten political theory called solidarism to interpret the city as a form of commonwealth. In this view, the city is a concentration of value created by past generations and current residents: streets, squares, community centers, schools and local churches. Although

File Type PDF Urban America Reconsidered

the legal title to these mixed spaces includes a patchwork of corporate, private, and public ownership, if we think of the spaces as the commonwealth of many actors, the creation of a new framework of value becomes possible. Through its novel mix of political and urban theory, *The Death*

File Type PDF Urban America Reconsidered

and Life of the Urban Commonwealth
proposes a productive way to rethink
struggles over gentrification, public
housing, transit, and public space.

With more and more of the world's
population living in urban
environments, the management of

File Type PDF Urban America Reconsidered

cities has posed increasing challenges to governments and policy makers.

Wide ranging yet concise, The Short Guide to Urban Policy makes sense of the multiple ways that urban issues and problems have been defined and addressed in different places and at different times. From initiatives that

File Type PDF Urban America Reconsidered

Alternatives For
Governance And Policy

focus on social tensions to those that focus on economic development, it provides critical discussions of the key concerns that have characterized urban policy around the globe. It is an invaluable introduction for anyone new to urban policy or who wishes to better understand the many ways we have

File Type PDF Urban America Reconsidered addressed the problems of urban living.

Alternatives For Governance And Policy

This popular text mixes classic theory and research on urban politics with the most recent developments and data in urban and metropolitan affairs. Its balanced and realistic approach helps

File Type PDF Urban America Reconsidered

students understand the nature of urban politics and the difficulty of finding effective "solutions" in a suburban and global age. The ninth edition has been thoroughly rewritten and updated with a continued focus on economic development and race, plus renewed attention to globalization,

File Type PDF Urban America Reconsidered

gentrification, and changing demographics. Boxed case studies of prominent recent and current urban development efforts provide material for class discussion, and concluding material demonstrates the tradeoff between more "ideal" and more "pragmatic" urban politics. Key

File Type PDF Urban America Reconsidered

Alternatives For
Governance And Policy

changes in this edition include: Every chapter has been thoroughly updated and rewritten. The Ninth Edition reflects the most current census data and the newest trends in such areas as the "new immigration," suburbanization, gentrification, and big-city revivals; There is coverage of the

File Type PDF Urban America Reconsidered

big-city pension crisis and politics in Stockton, Detroit, and other cities facing possible bankruptcy; A brand-new opening chapter introduces the concepts of the Global City, the Entertainment City, and the Bankrupt City; New photos and boxes appear throughout the book; Increased

File Type PDF Urban America Reconsidered

coverage of policies for sustainable
urban development.

Urban Politics blends the most
insightful classic and current political
science and related literature with
current issues in urban affairs. The
book's integrative theme is 'power,'

File Type PDF Urban America Reconsidered

demonstrating that the study of urban politics requires an analyst to look beyond the formal institutions and procedures of local government. The book also develops important subthemes: the impact of globalization; the dominance of economic development over

File Type PDF Urban America Reconsidered

Alternatives For
Governance And Policy

competing local policy concerns; the continuing importance of race in the urban arena; local government activism versus the 'limits' imposed on local action by the American constitutional system and economic competition; and the impact of national and state government action on cities.

File Type PDF Urban America Reconsidered

Urban Politics engages students with pragmatic case studies and boxed material that use classic and current urban films and TV shows to illustrate particular aspects of urban politics. The book's substantial concluding discussion of local policies for environmental sustainability and green

File Type PDF Urban America Reconsidered

cities also appeals to today's students. Each chapter has been thoroughly rewritten to clearly relate the content to current events and academic literature, including the following: the importance of the intergovernmental city the role of local governments as active policy actors

File Type PDF Urban America Reconsidered

and vital policy makers even in areas outside traditional municipal policy concerns the prospects for urban policy and change in and beyond the Trump administration, including the ways in which urban politics is affected by, but not determined by, Washington. Mixing classic theory and

File Type PDF Urban America Reconsidered

research on urban politics with the most recent developments and data in urban and metropolitan affairs, Urban Politics, 10e is an ideal introductory textbook for students of metropolitan and regional politics and policy. The book's material on citizen participation, urban bureaucracy,

File Type PDF Urban America Reconsidered

policy analysis, and intergovernmental relations also makes the volume an appropriate choice for Urban Administration courses.
