Victorious Eschatology 2nd edition - Chegg.com

Victorious Eschatology is a profound book which challenges the popular belief in Dispensational Theology, most typified in the "Left Behind" series of books. Victorious Eschatology makes the case that Dispensationalism has misinterpreted these passages and gives a very credible alternate explanation of Daniel's prophesy and of Jesus' discourse in Matthew 24.

A biblically-based, optimistic view of the future. Along with a historical perspective, this book offers a clear understanding of Matthew 24, the Book of Revelation, and other key passages about the events to precede the return of Jesus Christ. Satan is not going to take over this world. Jesus Christ is Lord and He will reign until every enemy is put under His feet!

Are we near the end of the world? Is the rapture of Christians fast approaching? Stan Newton says, "Absolutely not." "Glorious Kingdom" is a victorious kingdom view of eschatology. After years of teaching on the kingdom, certain things become clear; in order for people to 'see the kingdom' elimination of their dispensational mindset is top priority. With "dispensational eschatology" in his sights, he delivers one shot after another to order to eliminate this faulty doctrine of escapism. He then rebuilds a biblical foundation for the transformation of the church and the world. About the Author Stan Newton -A graduate of Moody Bible Institute and has received his D.Min from Vision International University. He has served as pastor for over 20 years in the United States before relocating to Europe. Along with his wife Virginia, they founded Kingdom Missions and now live in Bulgaria where they continue their calling to teach and demonstrate the kingdom of God. They have two married sons and four grandchildren.

You may contact them by mail or e-mail. Kingdom Missions PO Box 731988 Puyallup, WA. 98373 svnewton@hotmail.com

Among Christians who are already involved in discussions about preterism, the various views raise heated debates. However, most Christians are unaware of the related issues or profound implications. From this easy-to-understand book you can learn the basics and then make a wise decision concerning the most biblical view.

A condensed and compiled version of volumes 1-5 in the Spiritual Realities series. In this book, Harold explains the spiritual world from a Christian perspective.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

An entire generation of victory-minded Christians, spurred by the victorious postmillennial vision of Chalcedon, has emerged to press what the Puritan Fathers called "the Crown Rights of Christ the King" in all areas of modern life. Central to that optimistic generation is Rousas John Rushdoony's jewel of a study, God's Plan for Victory (originally published in 1977). The founder of the Christian Reconstruction movement set forth in potent, cogent terms the older Puritan vision of the irrepressible advancement of Christ's kingdom by his faithful saints employing the entire law-word of God as the program for earthly victory.

This book is written by a former leader in the Full Preterist movement, Samuel M. Frost. He has rejected Full Preterism as being historically unorthodox and biblically unsound. Full Preterism believes that the Second Coming and Resurrection of the Dead occurred in AD 70, and that the resurrection is spiritual rather than physical. It also holds that history continues forever. Chapters include: 1. What is Full Preterism? 2. My Full Preterist Testimony. 3. History, Creeds, and Sola Scriptura. 4. Infinity. 5. John 6. 6. What are the Last Days? 7. The Shell Game. 8. Where Is Jesus? 9. Sin, Death, and Creation. 10. Progressive Sanctification. 11. The Bodily Death and Resurrection of Jesus. Conclusion. Why I Left Full Preterism

When you hear the words "end times," what do you think of? A worldwide tribulation? Wars and rumors of wars? Earthquakes? The antichrist? The church being taken off the earth while the unrighteous are left behind? While that is exactly what many of us have been taught--what if the Bible has a very different story to tell? Every new "end of the world" prediction causes believers from all walks of life to start asking questions. How much time do we have left on earth? What does the future look like? Are we supposed to make the world better now, or will Jesus take care of that in a future millennium? And most importantly, what did Jesus really have to say about all this? Jesus Wins is the true story of one man's thrilling journey to get clarity about what the Bible really teaches about the future. J. A. Hardgrave spent years with questions that couldn't seem to be answered. Then everything changed. While listening to a sermon, he heard an evangelist say a statement about the end-times that was the opposite of what he had been taught. Suddenly, he knew there was a different view of prophecy that he had to discover. Prepare to be filled with optimism for the future, have more confidence than ever to fulfill your destiny, and finally understand Bible prophecy for yourself by receiving simple tools that anyone can use. One thing is certain: after reading this book--you will never see the end-times the same.
