Its pages present the author as a benevolent person with good intentions to help us. In hard times, I remember Tessa and her story, and try not to forget that there is life before death." Benjamin Espinoza. Chemical engineer "This book has helped me face my death-related fears. It made me aware of how easy it is to live without fearing death as such. It gave me a lot of strength, energy and, most preciously, Love. Tessa taught me that instead of living in fear we should learn how to live." Filli Ramirez. Entrepreneur. Este Manual Interactivo es parte de la serie Matando a los Dragones y puede ser usado en conjunto con el libro o individualmente. También puede ser usado con el curso Venciendo la Ansiedad en la Red de Desarrollo Bíblico en:https://desarrollo.japerez.com"La ansiedad es uno de los mejores regalos que he recibido en mi vida". Ha sido el instrumento que Dios ha usado para llevarme a descubrir la paz que sobrepasa todo entendimiento. Eso no quiere decir que la ansiedad sea buena. Ésta es como un dragón y tiene varias cabezas. Asomará cada una de esas cabezas en diferentes momentos de nuestra vida, a veces en un mismo día. Pero lo dragones no son inmortales. Existen cazadores de dragones y armas poderosas y específicas que les pueden hacer caer. Alguien dijo que los dragones no existen. Digale esto a alguien que ha padecido de ansiedad. Otros dicen que los dragones son figuras de nuestra imaginación. Es posible. Pero en nuestra mente pueden ser muy reales. Dragones como el miedo, la preocupación, el pánico todo está en la mente, pero eso no los hace menos reales. La ansiedad es real. También el Dios que nos creó. En este libro comparto mis luchas, retos y estragos. También las verdades que me han llevado de la ansiedad a una vida de paz y contentamiento. Caminaré contigo esta jornada y juntos veremos caer a cada dragón que te ha angustiado –hasta que tu experiencia sea como la mía.

What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce. In THE CONFIDENT WOMAN, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves.

Discusses the philosophy of Tao and offers information on diet and nutrition, fasting, breathing exercises, physical exercises, acupuncture, massage, birth control, sex therapy, and meditation

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in Daring Greatly that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. Daring Greatly is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of The Gifts of Imperfection and I Thought It Was Just Me (but it isn't).

Fear is devastatingly real. All of us -- at some point -- have faced it. In fact, approximately one out of ten people has experienced a panic attack or a crisis situation. From fear of public speaking to fear of spiders, this feeling can prevent us from reaching our full potential. Large or small, the things we fear may seem insurmountable, but they're not. How to Overcome Fear teaches you that the closer you get to your fears, the more you understand them and the more easily you can defeat them. Speaking from his own experience, Marcos Witt takes readers on a clear path toward following the word of God as a bridge to living a life of victory and freedom, without fear. The first step toward conquest is to acknowledge that the problem exists. The second step is to seek help. Let Marcos lead the way. He has inspired millions with his songs and his sermons. Now let him inspire you with his words.
