Ways to Die in Glasgow by Jay Stringer - Goodreads

In Ways to Die in Glasgow, Jay Stringer takes you on a garish punk-rock ride with nothing but bad taste and good times for company, and what follows is crude but good-hearted, crazy but skilfully done and, crucially, always exciting. This book moves like a stolen car careening through the dirty bits of town, cigarette smoke billowing from the windows and lager cans flung out on the street.

Glasgow. This Glasgow is one gruesome mix of Trainspotting, Taggart on steroids and is as gritty as a gobstopper which you've half chewed, rolled around a gravel pit and then chewed once again. This is the dank, dark, horrific underside of Glasgow. Dens of drugs and vice mix with dive bars and drunken alleyways.

Ways to Die in Glasgow - The Book Trail

Ways to Die in Glasgow is told mainly from two characters' viewpoints: Mackie, a drunk and ex-con with a vicious past, whose taste for violence and dodgy associates barely keeps him one step away from the undertaker's door; and the terrifically named Sam Ireland, a reluctant private investigator barely eking out a living from her late father's business in the tough streets of Glasgow. Being female makes it even more difficult and dangerous for the ballsy lady.

Brandon / December 4, 2017. Ways to Die in Glasgow by Jay Stringer. Ways to Die in Glasgow follows a handful of characters as they maneuver around the disappearance of gangster-turned-acclaimed-true-crime-author Rab Anderson. I caught the author, Jay Stringer, at this year's Bouchercon during the Best Paperback Original panel and not only was he hilarious, he was one of the few authors that impressed me so much that I ran to purchase his book immediately after to ensure I got it signed.
