When Paul Met Artie is a wonderful way to introduce a new generation of music lovers to these singular artists, and a nice keepsake for Simon and Garfunkel fans of any age. Set against a tuneful backdrop of doo-wop, rock ' n roll, folk, and folk-rock, this bit of music history, viewed through the lens of two boys from Queens, reinforces the importance of following your passions and never giving up.

[review + giveaway] When Paul Met Artie: The Story of ...
Two kids growing up in Queens, New York. Paul and Artie, met in sixth grade and became best friends. The radio in those days was their gateway to music. The two boys would spend hours listening to songs and singing to them until they had perfected the beat and the rhythm. Paul and Artie both realized that there was a harmony that they could both uniquely create together.

When Paul met Artie Stacking Books
Paul and Artie are contemporaries of mine. Well, I might be three or four years older, but basically we're contemporaries who grew up with the music and societal mores of the 1950's. By the time these two began to make waves (though they had splashed around quite a bit prior) in the music world, I was engulfed in the busy "mommy" world of raising children and not really into the "music scene" of the time

Amazon.com: Customer reviews: When Paul Met Artie: The ...
Along the lines of the musicals Jersey Boys (Franky Valli and the Four Seasons) and Beautiful (Carol King), the dual biography When Paul Met Artie tells the story of the famous singing duo, Paul Simon and Art Garfunkel. These two talented boys came together in sixth grade to harmonize their way to teenaged stardom.

a book review by Susan Middleton Elya: When Paul Met Artie ...
"How two best friends from Queens became teen rock sensations, lost it all, and grew up to become voices of their generation.-from the publisher" When you make a friend in the sixth grade, you don't expect that the two of you will change the world of music twenty years later. But that is the story of Art Garfunkel and Paul Simon. Artie saw a nervous Paul Simon get up and sing at the school ...

Acclaimed music writer Robert Hilburn ' s " epic " and " definitive " (Rolling Stone) biography of music icon Paul Simon, written with Simon ' s full participation—but without his editorial control—that " reminds us how titanic this musician is " (The Washington Post). For more than fifty years, Paul Simon has spoken to us in songs about alienation, doubt, resilience, and empathy in ways that have established him as one of the most beloved artists in American pop music history. Songs like " The Sound of Silence, " " Bridge Over Troubled Water, " " Still Crazy After All These Years, " and " Graceland " have moved beyond the sales charts and into our cultural consciousness. But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers. Finally, however, he has opened up for Robert Hilburn—for more than one hundred hours of interviews—in this " brilliant and entertaining portrait of Simon that will likely be the definitive biography " (Publishers Weekly, starred review). Over the course of three years, Hilburn conducted in-depth interviews with scores of Paul Simon ' s friends, family, colleagues, and others—including ex-wives Carrie Fisher and Peggy Harper, who spoke for the first time—and even penetrated the inner circle of Simon ' s long-reclusive muse, Kathy Chitty. The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level. In the process, Hilburn documents Simon ' s search for artistry and his constant struggle to protect that artistry against distractions—fame, marriage, divorce, drugs, record company interference, rejection, and insecurity—that have derailed so many great pop figures. " As engaging as a lively American tune " (People), Paul Simon is a " straight-shooting tour de force...that does thorough justice to this American prophet and pop star " (USA TODAY, four out of four stars). " Read it if you like Simon; read it if you want to discover how talent unfolds itself " (Stephen King).

"Poetic musings on a life well-lived—one that is still moving forward, always creating, always luminous. This isn't your typical autobiography. Garfunkel's history is told in flowing prose, bounding from present to past, far from a linear rags-to-riches story." —Bookreporter "It's hard to imagine any single word that would accurately describe this book. . . . an entertaining volume that's more fun to read than a conventional memoir might have been." —The Wall Street Journal "A charming book of prose and poetry printed in a digitalized version of his handwriting . . . witty, candid, and wildly imaginative . . . A highly intelligent man trying to make sense of his extraordinary life." —Associated Press From the golden-haired, curly-headed half of Simon & Garfunkel, a memoir (of sorts)—moving, lyrical impressions, interspersed throughout a narrative, punctuated by poetry, musings, lists of resonant books loved and admired, revealing a life and the making of a musician, that show us, as well, the evolution of a man, a portrait of a life-long friendship and of a collaboration that became the most successful singing duo in the roiling age that embraced, and was defined by, their pathfinding folk-rock music. In What Is It All but Luminous, Art Garfunkel writes about growing up in the 1940s and ' 50s (son of a traveling salesman, listening as his father played Enrico Caruso records), a middle-class Jewish boy, living in a redbrick semi-attached house on Jewel Avenue in Kew Gardens, Queens. He writes of meeting Paul Simon, the kid who made Art laugh (they met at their graduation play, Alice in Wonderland; Paul was the White Rabbit; Art, the Cheshire Cat). Of their being twelve at the birth of rock ' n ' roll (" it was rhythm and blues. It was black. I was captured and so was Paul "), of a demo of their song, Hey Schoolgirl for seven dollars and the actual record (with Paul ' s father on bass) going to #40 on the charts. He writes about their becoming Simon & Garfunkel, ruling the pop charts from the age of sixteen, about not being a natural performer but more a thinker, an underground man. He writes of the hit songs; touring; about being an actor working with directors Mike Nichols (" the greatest of them all "), about choosing music over a PhD in mathematics. And he writes about his long-unfolding split with Paul, and how and why it evolved, and after; learning to perform on his own . . . and about being a husband, a father and much more.

A revelatory account of the life of beloved American music icon, Paul Simon, by the bestselling rock biographer Peter Ames Carlin To have been alive during the last sixty years is to have lived with the music of Paul Simon. The boy from Queens scored his first hit record in 1957, just months after Elvis Presley ignited the rock era. As the songwriting half of Simon & Garfunkel, his work helped define the youth movement of the '60s. On his own in the '70s, Simon made radio-dominating hits. He kicked off the '80s by reuniting with Garfunkel to perform for half a million New Yorkers in Central Park. Five years later, Simon ' s album " Graceland " sold millions and spurred an international political controversy. And it doesn ' t stop there. The grandchild of Jewish emigrants from Galicia in the Austro-Hungarian empire, the 75-year-old singer-songwriter has not only sold more than 100 million records, won 15 Grammy awards and been installed into the Rock ' n ' Roll Hall of Fame twice, but has also animated the meaning—and flexibility—of personal and cultural identity in a rapidly shrinking world. Simon has also lived one of the most vibrant lives of modern times; a story replete with tales of Carrie Fisher, Leonard Bernstein, Bob Dylan, Woody Allen, Shelley Duvall, Nelson Mandela, drugs, depression, marriage, divorce, and more. A life story with the scope and power of an epic novel, Carlin ' s

Homeward Bound is the first major biography of one of the most influential popular artists in American history.

How does a Black kid from North Philly wind up playing polo? The much-anticipated sequel to Ghetto Cowboy, now a major motion picture starring Idris Elba and Stranger Things ' s Caleb McLaughlin. When Cole moves in with his dad, Harp, he thinks life will be sweet—just him and his horse, Boo, hanging out with Philadelphia ' s urban cowboys. But when Harp says he has to get a job, Cole winds up as a stable hand for the polo team at George Washington Military Academy, where the players are rich, white, and stuck-up—all except Ruthie, the team ' s first and only girl, who ' s determined to show the others she can beat them at their own game. As Cole and Ruthie become friends—and maybe more—he starts imagining his future, maybe even at the academy. But between long workdays, arrogant polo players, and a cousin trying to pull Cole into his dangerous business, that future seems remote. Will Cole find the courage to stand and be seen in a world determined to keep him out? With striking illustrations by Jesse Joshua Watson, celebrated author G. Neri ' s novel weaves themes of tenacity and community into a rousing sports story inspired by Philadelphia ' s real-life urban cowboys and polo players.

The comedian and radio personality discusses his drug addiction, battle with depression, and ultimate recovery.

It ' s a bitterly cold February in 1961, and Sandy Greenberg lies in a hospital bed in Detroit, newly blind. A junior at Columbia University from a Jewish family that struggled to stay above the poverty line, Sandy had just started to see the world open up to him. Now, instead of his plans for a bright future—Harvard Law and politics—Sandy faces a new reality, one defined by a cane or companion dog, menial work, and a cautious path through life. But that ' s not how this story ends. In the depth of his new darkness, Sandy faces a choice—play it " safe " by staying in his native Buffalo or return to Columbia to pursue his dreams. With the loving devotion of his girlfriend (and now wife) Sue and the selflessness of best friends Art Garfunkel and Jerry Speyer, Sandy endures unimaginable adversity while forging a life of exceptional achievement. From his time in the White House working for President Lyndon B. Johnson to his graduate studies at Harvard and Oxford under luminaries such as Archibald Cox, Sir Arthur Goodhart, and Samuel Huntington, and through the guidance of his invaluable mentor David Rockefeller, Sandy fills his life and the lives of those around him with a radiant light of philanthropy, entrepreneurship, art, and innovation.

Lewis "Shoe" Blake is used to the joys and difficulties of life on the Tuscarora Indian reservation in 1975: the joking, the Fireball games, the snow blowing through his roof. What he's not used to is white people being nice to him -- people like George Haddonfield, whose family recently moved to town with the Air Force. As the boys connect through their mutual passion for music, especially the Beatles, Lewis has to lie more and more to hide the reality of his family's poverty from George. He also has to deal with the vicious Evan Reininger, who makes Lewis the special target of his wrath. But when everyone else is on Evan's side, how can he be defeated? And if George finds out the truth about Lewis's home -- will he still be his friend? Acclaimed adult author Eric Gansworth makes his YA debut with this wry and powerful novel about friendship, memory, and the joy of rock 'n' roll.

Outrageous, raw, and painfully funny true stories straight from the life of the actor, comedian, and much-loved cast member of The Howard Stern Show—with a foreword by Howard Stern. When Artie Lange joined the permanent cast of The Howard Stern Show in 2001, it was possibly the greatest thing ever to happen in the Stern universe, second only to the show ' s move to the wild, uncensored frontier of satellite radio. Lange provided what Stern had yet to find all in the same place: a wit quick enough to keep pace with his own, a pathetic self-image to dwarf his own, a personal history both heartbreaking and hilarious, and an ingrained sense of self-sabotage that continually keeps things interesting. A natural storyteller with a bottomless pit of material, Lange grew up in a close-knit, working-class Italian family in Union, New Jersey, a maniacal Yankees fan who pursued the two things his father said he was cut out for—sports and comedy. Tragically, Artie Lange Sr. never saw the truth in that prediction: He became a quadriplegic in an accident when Artie was eighteen and died soon after. But as with every trial in his life, from his drug addiction to his obesity to his fights with his mother, Artie mines the humor, pathos, and humanity in these events and turns them into comedy classics. True fans of the Stern Show will find Artie gold in these pages: hilarious tales that couldn ' t have happened to anyone else. There are stories from his days driving a Jersey cab, working as a longshoreman in Port Newark, and navigating the dark circuit of stand-up comedy. There are outrageous episodes from the frenzied heights of his coked-up days at MADtv, surprisingly moving stories from his childhood, and an account of his recent U.S.O. tour that is equally stirring and irreverent. But also in this volume are stories Artie ' s never told before, including some that he deemed too revealing for radio. Wild, shocking, and drop-dead hilarious, Too Fat to Fish is Artie Lange giving everything he ' s got to give. And like a true pro, the man never disappoints.

A series of autobiographical prose poems and interviews that explore Garfunkel's inner thoughts, musical career, travels, and loves
