Review: Great place to launch your boat - Park Foot ...

Ideally you need a launch ramp with a decent dock nearby where you can moor your boat whilst moving your trailer and vehicle off the ramp. A ramp without a nearby dock will make self-launching much more difficult.

Guide to Solo Boat Launching – Flat Bottom Boat World

When you get to the boat ramp area, there should be an area where you can get ready to launch your boat. Too many times I see people on the ramp taking one of the launch/retrieve lanes and they are transferring their gear, unhooking tie downs, discussing what they are going to have for dinner that night... This is not the place.
