Wilderness Empire is the story of the Iroquois during the apex of their influence and power, the French and Indian War. Struggling to maintain the status quo and their preeminent position, this Confederation of six tribes fails in its attempt to balance its internal, competing interests, splitting along French and English lines of allegiance.

Wilderness Empire is the second volume of Allan Eckert's Winning of America Series. (Don't you just love that name? It's like something out of Team America: "America...f**k yeah!"). Like the first volume and subsequent volumes, Wilderness Empire is a hybrid of fact and fiction. That is, the story is told as a narrative, but is based solidly on the historical record.
