Wrong Kind of Love Quotes by Amanda Heath - Goodreads

The Wrong Kind of Love is a contemporary romance with a new adult vibe. This story would most likely appeal to a romance reader and also someone who understands the complications of finding true love online. It is written in alternating POVs, but primarily stays with the two main characters, Balani and Dexter.

In many instances, women fall for the wrong men because these women are battling with low self-esteem. In fact, a 2014 Glamour survey revealed that over 50 percent of women are unhappy with their bodies, and approximately 80 percent of women can't even look at themselves in the mirror without overwhelming feelings of disappointment and self-loathing.

The first time I ever saw Caden Harper I'm pretty sure I fell in love. All that golden hair and pale blue eyes. He was mysterious and covered in paint. I found it endearing and wanted nothing more than to find out all his secrets. I gave that man things I would never give anyone else. He blew it though. Which I shouldn't be surprised considering he is a womanizer. So I moved on, well kind of. Jaden Harper wasn't what I expected. I found myself drawn to him almost as much as his brother. Maybe it's the fact they are twins or maybe it was the fact I wanted to live on the wrong side for once in my life. Now I've found myself dug deep in this game. There's no end in sight and I wonder when all the lies I have told will come back to haunt me. Neither man should know the things I've gone through. Neither should trust me. I'm not who I say I am. My past is full of things I won't ever share. But where will that lead me when Caden wants nothing more than to consume me? He won't wake up to see he has the wrong kind of love. My Name is Grace Breadfield and this is my story.

You never forget your wedding day. Or the moment your twin sister pukes on your bouquet and confesses she's pregnant . . . with your fiancé's baby. I wanted to get away, to hide until my heart mended. I found myself in a strange town with a mysterious stranger whose talented mouth and hands almost made me forget it was supposed to be my wedding night. Afraid to go home to face my broken life, I pretend to be my twin so I can take her job in Jackson Harbor caring for a six-year-old girl. Imagine my surprise when I find out my new boss is my mysterious stranger—Dr. Ethan Jackson. I never meant for Ethan to discover my secrets. I never meant for them to matter. But the longer I work with him and his sweet daughter, the harder I fall, and the clearer it becomes that I'm not the only one carrying a secret that could tear us apart. Get ready to fall for the boys of Jackson Harbor in Lexi Ryan's sexy new contemporary romance series. These books can all be read as standalones, but you'll enjoy reading them as a series! The Wrong Kind of Love (Ethan's story) Straight Up Love (Jake's story - coming May 2018) Dirty, Reckless Love (Levi's story - coming August 2018)

A story of forbidden love with a side of revenge... When my husband of nearly twenty years left me for another woman, I thought my life was over. But I was wrong. Wrong for thinking I was weak, Wrong for assuming I couldn't go on, Wrong for believing I wouldn't love again. No matter what anyone else thinks, Wrong never felt so right.

"Oh, holy mother of geeky heroes! You guys, this book is so delightful." ~ Panda and Boodle Data analyst Cassie Howard may be brilliant (and, okay, a little awkward), but she's worked hard to get where she is. She definitely doesn't need some sexy new analyst coming in and taking credit for her work. Or the inappropriate thoughts that keep popping out of her mouth she'd rather he not hear. For undercover FBI agent Drew Kerrigan, computers have always made more sense than people, but he'd better develop some slick social skills in a hurry if he's going to win over the too-tantalizing-for-his-sanity Cassie. Hacking their systems was easy. Now he's just got to hack the one person in the company most likely to see through his ruse...

A one-night stand with the boss was never in her plans. Neither was falling in love . . . Return to Jackson Harbor for this sweet and sexy standalone Christmas romance. The rumors are true. I'm a hot mess with an awful track record at love. Single mom. Down on her luck. Yeah, I'm bad news. If the hardest part of moving back home to Jackson Harbor was going to be people talking, I'd be fine. I've kept my chin up through worse than their decade-old gossip. I was wrong. The hardest part is resisting my boss. Brayden Jackson is the very picture of tall, dark, and handsome. And thanks to an ill-advised one-night stand we had seven months ago, I know exactly what I'm missing when I turn him down. Every. Single. Delicious. Inch. But I have my son to care for and my job to keep, so I'll keep on saying no. Until my string of bad luck continues, and suddenly my precious four-year-old and I find ourselves with nowhere to live. At Christmas, no less. It's for my son that I accept Brayden's offer to stay at his place. One by one, my defenses are falling, as fast as I am. If Brayden was smart, he'd run, because it's only a matter of time before he realizes he deserves better than what a girl like me can offer. Unless, for

once, my bad luck is leading me exactly where I need to be.

From New York Times bestseller Lexi Ryan comes a sexy new standalone romance in the bestselling Boys of Jackson Harbor series. Meet single dad Easton Connor as he leaves the NFL and returns to Jackson Harbor to fight for another chance with the love of his life. *** I don't regret much. Not my decision to enter the NFL draft before finishing college. Not fighting for custody of my daughter—even if, biologically speaking, it turns out she's not mine. And certainly not seducing my buddy's little sister ten years ago. But when it comes to Shayleigh Jackson, my no-regrets attitude stops there. I screwed up royally where she's concerned. Then I made another mistake when I let her shut me out of her life. Now after more than a decade living in different time zones, I'm coming home to Jackson Harbor. My first priority is keeping my daughter away from the media circus in Los Angeles, but the moment I see Shay, I know something else brought me back here. Now I'll stop at nothing to win her back. So what if she won't speak to me? So what if she's changed? So what if she's fallen for some douchebag professor? I've never gotten over her, and I know she feels the same about me. I've let her go twice. I won't make that mistake again. If It's Only Love and all other books in this series can be read as standalones, but you'll enjoy reading them together. The Boys of Jackson Harbor 1 - The Wrong Kind of Love (Ethan's story) 2 - Straight Up Love (Jake's story) 3 - Dirty, Reckless Love (Levi's story) 4 - Wrapped in Love (Brayden's story) 5 - Crazy for Your Love (Carter's story) 6 - If It's Only Love (Shay's story)

*This is a new adult romance not meant for those under 18. It contains sex, drugs, and under age drinking. The first time I ever saw Caden Harper I'm pretty sure I fell in love. My past is full of things I won't ever share. But where will that lead me when Caden wants nothing more than to consume me? He won't wake up to see he has the wrong kind of love. My Name is Grace Breadfield and this is my story. *While this title is a part of the Young Love series, it can be read as a standalone. There is a HEA and no cliffhanger.

Includes an excerpt from Love on the brain.

A book for teenage girls and young women educating them about love and relationships using the author's true stories of her past relationships and the knowledge she developed from them.

Teagan Harper doesn't have much experience with guys. Her twin brothers have made sure of that. Until one night at a college party she gives them the slip, finding herself in the arms of the most amazing guy she has ever met. Now she's on a mission to find him since she ran from his bed. And forgot to ask his name... Declan Sage has had control over his entire life. But that is all about to change when the girl who ran out of his bed turns his life upside down. She is about to throw that control out the window. But he's pretty sure that's a good thing seeing as she stole his heart..
