You Die When You Die

YOU DIE WHEN YOU DIE . . . You can't change your fate - so throw yourself into battle, because you'll either win or wake up drinking mead in the halls of your ancestors. That's what Finn's tribe believe.

Life after death: Scientist explains what ACTUALLY happens ...

Despite massive advancements in science and technology, the age-old question of what happens after you die is still without answers. You might actually KNOW that you are dead for quite a long time...

---

Six people who 'came back from the dead' reveal what ...

Within seconds of death, your body's supply of oxygen will be depleted, and your brain activity surges. This might sound a little counter-intuitive, seeing as dead people don't have thoughts, but you can think of this activity as the last dying bursts of activity from neurons that are no longer supported by oxygen and hormone production.
